

# Nathanael Alimsiwen Akowan

## Address

Tamale Northern Region (Gbolo  
Kpalsi House no. GK127)

## Phone

0546878947

## Email

<mailto:danyonathaniel7@gmail.com>

CURRENTLY  
LEARNING

Flutter Framework, Django, shell scripting, ReactJs.

## EDUCATION

### Kadjebi-Asato Senior High

School (Volta Region, Kadjebi District)

### University for Development Studies Navrongo Campus

(Expected Year of Graduation 2023)

## EXPERIENCE

### *I.O.T (internet of things) Enthusiast*

Worked with our I.O.T Campus ambassador to build an automating smart dustbin and a Voice control lightening system.

### *Front-End Instructor*

Taught colleagues and juniors web technologies such as HTML, CSS3, Bootstrap, jQuery, JavaScript.

### *Freelance Front-End Developer*

Developed frontend interface of a hostel management system (Gidan Hostel)

### *Internship (2022, October -2022, December)*

I worked with Navissel Limited in Tamale, where I learned new skills and also worked on some projects.

### *Hackathon Event on Campus*

Participated with Team members to build a web prototype site which provides UDS TTFPP (Third Trimester Field Practical Program) data to individuals.
